Цель и тематика

Научный журнал «Вестник Российского университета дружбы народов» был создан в 1993 году. Серия «Русский и иностранный языки и методика их преподавания» вышла в свет в 2003 году. На протяжении двадцати лет журнал публиковал статьи по результатам фундаментальных и прикладных исследований в области лингвистики, анализа текста, лингвокультурологии, методики преподавания языкам и т.д.

В настоящее время тематика журнала охватывает актуальные вопросы филологии: лингвистика, психолингвистика, лингвокультурология, лингвострановедение, межкультурная коммуникация, текстоведение, лингводидактика, этнометодика, методика обучения иностранным языкам и их преподавания). Увеличено количество тематических рубрик. Публикуются результаты научных исследований по вопросам изучения русского языка (как родного, неродного, иностранного), иностранных языков.

Цель журнала — создание научно-методической площадки для обмена мнениями российских и зарубежных ученых в области изучения и преподавания русского и иностранных языков по актуальным вопросам формирования межкультурного, языкового, образовательного пространства.

Основные задачи журнала:

- актуализация проблем изучения русского языка и методики его преподавания в школе и вузе;
- рассмотрение вопросов современной зарубежной лингвистики и методики преподавания языков;
- презентация медиадидактических и электронных средств обучения в межкультурном пространстве;
- знакомство с новыми лингводидактическими и педагогическими технологиями;
- представление методических проектов.

Материалы могут быть представлены в виде научных статей (теоретических, научно-практических, научно-методических), обзорных научных материалов, рецензий, аннотаций, научных сообщений, посвященных деятелям российской и зарубежной науки. Для начинающих ученых предназначена рубрика «Страничка молодого исследователя».

Журнал имеет международный статус, который определен составом редколлегии и рецензентами (известные ученые иностранных академий и университетов из России, США, Беларуси, Молдовы, Испании, Алжира, Италии).

К сотрудничеству приглашаются российские и зарубежные ученые в области русского и иностранных языков.

The journal is presented on the sites of Peoples' Friendship University of Russia, Facebook, Mendeley, in the database of Russian Science Citation Index.

Aim and Scope

The scientific journal "Bulletin of Peoples' Friendship University of Russia" has been published since 1993. The first issue of the series "RUDN journal of Russian and foreign languages research and teaching" came in 2003. The journal has published the results of fundamental and applied research in linguistics, text analysis, cultural studies, methods of teaching languages, etc. for 20 years.

Now the themes of the journal include actual problems of philology: linguistics, psycholinguistics, cultural studies, country studying, intercultural communication, text studying, linguodidactics, ethnomethodics, methods of teaching learning foreign languages. The number of the journal columns has increased. The journal publishes the results of scientific research in teaching Russian (as a native, non-native and foreign language) and other languages.

The aim of the journal is to create a scientific and methodical forum where Russian and foreign scientists could exchange their views on learning and teaching Russian and foreign languages, on actual problems of intercultural, linguistic and educative environment.

The main tasks of the journal are as follows:

- to point out the problems of learning and teaching Russian at school and university;
- to discuss the questions of modern foreign linguistics and methods of teaching languages;
- to present electronic means of education in intercultural environment;
- to get acquainted with new linguodidactic and pedagogic technologies;
- to show methodical projects.

The authors can present scientific articles (theoretical, academic and research, scientific and methodical), reviews, critical reviews, annotations, reports about Russian and foreign scientists.

The journal is on the list of journals reviewed by Higher Attestation Commission for presenting the results of doctorate thesis. Young scientists can publish their articles in the column "The page of a young researcher".

The journal has an international status which is provided by the editorial board and reviewers (famous scientists from international academies and universities in Russia, the USA, Belarus, Moldova, Spain, Algeria, Italy).
